• Far and near, fair and foul, spirits of the first and shadows of the third. Your quest is to travel to the Lands Between, a land of magic and a mystical setting where the players that you meet are Elden Lords. A vast world in which you will have to make strategic combat decisions in 3D battles between humans and elves that range from the grand to the grotesque. A multilayered story, a myth, and an epic drama where the various thoughts of the characters intersect in the Lands Between.

Game Introduction FEATURES:

- Customization: Create your own character Build your character according to your playstyle, such as increasing your muscle strength to become a strong warrior, or mastering magic.
- Customize weapons, armor, magic The game allows you to freely combine weapons, armor, and magic and develop your character according to your playstyle.
- Open-World with Dungeons: A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected.
- Hordes of Elden, endless hordes of humanoids and monsters An infinite number of enemies are waiting for you on the field, and you may have difficulty dealing with them

all if you do not prepare your strategy well. □
Asynchronous Multiplayer that Takes a
Different Approach A cross-server online
system for the first time in an MMORPG! Play
against others asynchronously! You can play
at any time without being forced to
synchronize with others. Play alone or
cooperate with others asynchronously. TEAM
